Class History

On August 29, 1955, 34 freshmen began their first four wonderful years of high school. Officers elected were: Gary R., Pres.; Larry H., Vice Pres.; Kate F., Treas.; Jerene C., Sec.; Mr. McKie, Advisor. We lost two students during the year and gained two. Our big event this year was initiation. We returned as sophomores on August 27, 1956, with 33 students. Officers this year were: Gary R., Pres.; Rita W., Vice Pres.; Jerene C., Sec.; Duane M., Treas.; Miss Peters, Advisor. We lost 3 students this year. For money-making activities we sponsored a bake sale, a chili supper, record dance, a hobo day.

As juniors we began the year on August 28, 1957, with 29 classmates. Officers elected this year were: Connie T., Pres.; Sandy H., Vice Pres.; Karen L., Treas.; Jerene C., Sec.; Mr. Conkling and Mrs. Block, Advisors. One of the most thrilling events this year was receiving our beautiful class rings. On May 3, we gave the seniors their final prom with "Sayonara" as our theme. On August 29, 1958, we began our final year of high school with 25 students. Officers elected this year were: Ila J., Pres.; Larry H., Vice Pres.; Jon Nelson, Sec.; Terry A., Treas.; Mr. Burton and Mr. Jenkins, Advisors. So far for financial income projects we had the Homecoming Dance, football concession stand, record dance, ham dinner, coat check at basketball games. The Jr.-Sr. prom is scheduled for May 2. Our final activity is our class trip, the gratification of four years of hard work.

Class Prophecy

The city, large and prosperous, spread before me as the plane circled in for a landing. The class of '59 was planning the twenty-fifth anniversary of their graduation from dear old Manlius High School and I was returning home after a trip just in time for the celebration.

As the plane taxied to a stop, I took a good look at the budding metropolis of approximately 100,000 people. The changes that had taken place since our graduation were really astounding.

While I was waiting for a space mobile to take me from the airport, I happened to glance into the main office of Lyon's-Line Air Service that was owned by Duane Martin. Duane had developed the fastest jet in service which he has christened "Sandy The First." He is married and the proud father of twin boys. In the office was my old friend Carol Schmidt better known as "Schmitty." After greeting me she told me she was head of a school for aspiring young Lyon's-Line hostesses and also she had married a Texas oil tycoon. While we were talking, who should stroll up to us but Ronnie Hard. Ronnie told me he was the owner of the largest and most scientifically operated farm in the Midwest where all he had to do was press a button, throw a switch, or pull a lever. He had the cows milked, the garden weeded, and his "pasture green" spacemobile fueled, aimed and ready for take off. He perfected this while driving his Pontiac to school in the mornings.

Ronnie and I said good-bye to "Schmitty" and hopped into a waiting space taxi. Who should be sitting at the controls but Duane "Worthless" Wirth who hadn't seemed to live up to his nickname. In fact it was quite the opposite. He told us that he owned a large fleet of space taxies and was only driving one today so he could practice his driving techniques. Duane acquired his "taxi" skills early while driving high school students downtown and back to the high school at noon. After leaving Duane and Ronnie, I went to the hotel where the party was to be held and much to my surprise in the lobby was Sharon Kirkpatrick and Karen Lebahn. Sharon is currently appearing on nation-wide television, Station TV-PU, where she "airs" her latest experimental cookery to the nation. When she isn't on television she takes care of her home, three children, and her star basketball playing husband. "Muffet" is a busy housewife and mother who lives in a ten bedroom mansion in the southwest part of the city. Her six children keep her very busy but she also finds time to assist part time in the Home Economics Division of Manlius High School. As we girls were talking, Larry Hansen came into the lobby of the hotel. Larry had just returned from one of his famous lecture tours only to find his wife, Karen, away from home. Larry lectures on the Art of Self-Defense and originated and perfected his now famous "Hansen's Terrible Toe-Hold." We made plans to meet at the party that was to be held that evening and then parted.

Everything was ready for the party and one by one my former classmates were arriving. The first to arrive was Gary Roush who was to be the master of ceremonies at the party. Gary is a well-known orchestra leader who had cut short an engagement at the "Palace" to be with us. He received his experience while playing in Mr. Milburn's band and giving his prepared (?) three minute speeches in speech class at Manlius High School. With Gary was Terry Anspach who had recently beaten Van Cliburn in world competition in Russia. Terry received his experience accompanying the chorus in Mrs. Johnson's classes.

While I was conversing, Ron "Snorky" Anderson came in who is star of the world famous pro football and basketball team, the Red Devils, coached by none other than Roger Jones who took over the position upon Mr. Jenkins' retirement. Roger is married to his high school sweetheart, Rita Wiseman. She is the proud mother of four children, two boys and two girls. Rita knew how to manage her family because she studied Child Care in her junior year under the instruction of Mrs. Block.

Jerene Christensen, Waneta Hall, and Beverly Kvamme appeared in the doorway. Jerene is Dean of the exclusive girls' school Manlius Manor which is situated in the southwest part of Manlius. Nita is a nationally known artist who is married and raising a family. Bev is a well-known lawyer who lives in a bachlorette penthouse apartment. It was rumored that she is to marry her client.

The next to arrive was Max Chesney and Harold Miller. Harold is a famous men's hair designer who is currently designing the "New Elvis's" hair. The new Elvis is Mike. As a sideline, Mike customizes red and white trucks.

Bob Frank and Jon Nelson strolled into the room. Bob, better known to his classmates as Roberta is the owner of a ten-thousand acre ranch in California and Jon is the designer of Nellie Speedboats and the owner of Nelson Estates in northern Illinois. There is a rumor that they are trying to purchase the territory between them, and then merge. They were followed by Brian Raabe who is the designer and distributor of Raabe's Space Runabout, the top selling space mobile in the United States. Brian is famous for his black and white paint jobs.

Joe Michlig and Don "Bill" Neidetcher were the next to arrive. Joe is a famous stunt and speed driver who is known for his "Roll-Over." Joe had set a new speed record which had been renamed in his honor--"Mich Michlig." "Night-Train" is the owner of "Big Bill's Bar and Ball Room" in downtown Manlius. Bill had been able to discover the secret of "Rip's" chicken and had developed a new pizza recipe that called for a thousand and one ingredients.

Connie Thomas and Judy Rumbold came in last. Connie lives in South America a great deal of the time but for a hobby she is Head "Cracker" at a chewing gum factory. Connie tests the gum for its "cracking" quality. Judy is the private secretary of the famous world traveler, Mr. Burton, who along with Mr. Jenkins, our other class sponsor, travels the globe conducting "Button's Bonanza Tours." They got their experience helping the class of '59 decide on the class trip destination. Judy received her secretarial experience in Mr. Burton's classes.

As I was driving home after the party I thought of what a success the party had been and how we had decided to meet every five years.

Oh, I forgot to tell you who I am! I am Ila Dale Jorgensen and my husband and I are trying to weld our family of two boys and two girls into a well run, happy household. We live in the southwest part of the city and many of my old classmates are my neighbors. For a hobby I also do interior decorating with Crane House. Good night!

ANY RESEMBLENCE TO PEOPLE IS PURELY COINCIDENTAL!!!!!!!!

As the 1958 Football season opened, 38 boys reported. This was to be a big year for everyone on the squad, as we were joining a bigger conference in which they play 11 man football exclusively. The Blackhawk Conference had ten teams which were all very big and fine teams.

Our team took the joining of this new conference as a challenge and worked very hard in the short time we had to practice before our first game in the Blackhawk.

Our start in the Blackhawk was very jittery as we suffered a 13-20 loss to Galva, in which Ron Anderson and Roger Jones each scored a TD with Anderson scoring the PAT.

The Bradford game was one of the most exciting of the season as we tied the team which won the conference, 6-6. It was a hard fought game. Roger Jones scored Manlius's only TD.

The Weathersfield game we lost 21-18 by missing the extra points needed to tie them. Ron Anderson accounted for 2 TD's and Larry Hansen for one.

The team found their first victory of the season as they beat Elmwood 19-0. Ron Anderson scored 2 TD's and Larry Hansen 1--Bruce Raabe added the PAT.

At Wyoming we lost to a good team 32-20 as Ron Anderson again tallied 2 TD's and 2 PAT's and Larry Hansen scored the other.

At Dunlap we got our 2nd victory 21-12. Larry Hansen tallied twice and Bob Frank once. Ron Anderson

scored 2 PAT's, Roger Jones the other.

The Walnut game was lost 13-0 but not until a hard fought game was over.

The Toulon Game was another victory for Manlius as we beat one of our former coaches by the score of 16-0. TD's were made by Jones and Hansen. The PAT's were made by Ron Anderson. We also had a safety.

The Princeville game was a windy closing for the ten seniors in their last game and last season of high school football we were defeated 21-0.

We lost 5 and won 3 and tied 1, but as far as the boys and the coaches were concerned it was a good season and one that we aren't likely to forget for many a year.

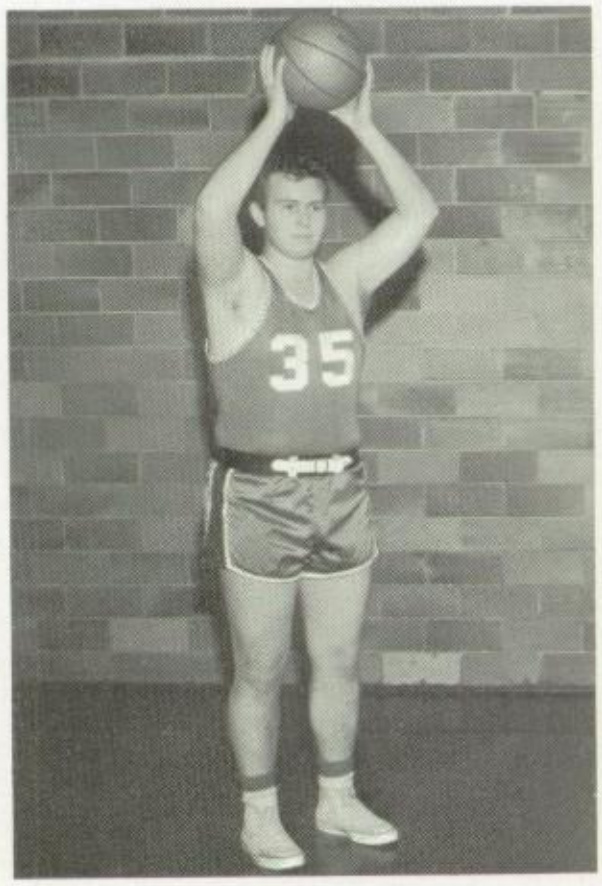
Basketball at Manlius High started with a long hard, two weeks of training. Mr. Jenkins, Coach, started with thirteen candidates reporting. This year was the beginning of a new era of Manlius High Basketball. We entered the Blackhawk Conference with promise of better competition, and we found it. With 2 games remaining, and the tourney, we have a season record of 8 wins and 14 losses. In conference play we have a record of 4 wins and 11 losses. These records are not bad, considering none of the games, exept 5, were lost by more than 10 points.



H. Miller, Center

Bruce Raabe has been high point man with 311 points for the 16 conference games, giving him a 19.8 game average.

Baseball and track at Manlius High had not begun for the year when this book was edited.

The track squad will be composed mostly of those returning from last year's squad, as there were only two seniors on the squad.

The baseball squad will be something new to most athletes, as this is the first year Manlius has played baseball as an interschool sport.
